14:45 to 15:15	Unit 006 paper
15:30 to 16:00	Unit 009 paper

Training method

The first session of the day will be to refresh the knowledge of the delegates in preparation of the questions papers that are to follow (units 1-6+9), this will be done by power point presentation and delegate/instructor interaction.

Delegates will then be required to sit a question paper for each unit. There will be a duration allowed of 30 minutes to complete each paper. Delegates will have to gain an 80% pass rate on each paper to achieve re-qualification for each unit.

At the end of the day there will be an opportunity for delegates to re-sit question papers for up to 2 units should they fail the required pass mark at their first attempt

Additional Information

If you require re-assessment on the following units, an additional half day would be required:

- Unit 007 reinstatement of hot-lay bituminous materials
- Unit 008 Reinstatement of concrete slabs
