

# NRSWA Supervisors

## 001+010-014+016

### **Objectives**

To gain accreditation to the standards laid down by the Awarding Body in line with the New Roads & Streetworks Act 1991 for excavation & reinstatement.

### **Who for**

Any operatives involved in excavation & reinstatement on the public highway.

### **Course Content**

- Unit 001—Location & avoidance of underground Services.
- Unit 010— Monitoring, signing, lighting & guarding.
- Unit 011— Monitoring excavation in the highway.
- Unit 012— Monitoring reinstatement & compaction of backfill materials.
- Unit 013— Monitoring reinstatement of non– bituminous sub-base & road– base materials.
- Unit 014—Monitoring laying practices and reinstatement of cold lay bituminous materials.
- Unit 016— Monitoring reinstatement of modular surfaces & concrete footways.

### **Training Method**

To meet the legal requirements of people excavating in the highway, UTN deliver a course to meet the Awarding Body criteria.

### **Additional Information**

UTN'S approved centre has a purpose built road area to carry out all the practical aspects of the course.

This course meets the criteria for CITB grants. CITB registered companies will be able to claim the current grant available for this course. The UTN administration team will give full support for the application of this grant.

For course bookings call 01924 377379
